Warning Letter Re: FPPC No. 11/254, Turner for East Bay Municipal Utility District 2010 and Matt Turner

Dear Mr. Turner:

The Fair Political Practices Commission (the "FPPC") enforces the provisions of the Political Reform Act (the "Act"),¹ found in Government Code section 81000, et seq. This letter is in response to a complaint filed against you that alleged you failed to file the semiannual campaign disclosure statement for the period ending December 31, 2010. We are closing this matter with a warning letter.

The FPPC has completed its investigation of the facts in this case. Specifically, the FPPC found that you and your committee failed to file the semiannual campaign statement after the November 2, 2010 election in the County of Alameda.

The Act requires that candidates and their committees file campaign statements at periodic intervals. (Section 84200.) Your actions violated the Act because you failed to file the semiannual statement by the required deadline. However, because you have filed the semiannual statement and terminated your committee, we have decided to close this matter with a warning letter.

This letter serves as a written warning. The information in this matter will be retained and may be considered should an enforcement action become necessary based on newly discovered information or future conduct. Failure to comply with the provisions of the Act in the future will result in monetary penalties of up to \$5,000 for each violation.

A warning letter is an FPPC case resolution without administrative prosecution or fine. However, the warning letter resolution does not provide you with the opportunity for a probable cause hearing or hearing before an Administrative Law Judge or the Fair Political Practices Commission. If you wish to avail yourself of these proceedings by requesting that your case proceed with prosecution rather

than a warning, please notify us within ten (10) days from the date of this letter. Upon this notification, the FPPC will rescind this warning letter and proceed with administrative prosecution of this case. If we do not receive such notification, this warning letter will be posted on the FPPC's website ten (10) days from the date of this letter.

Although the FPPC is not seeking a penalty in the current matter, you are still responsible for any late filing fees assessed by your filing officer. (Section 91013.)
